

VAJRASIRI “NIRVAN”- 2018

A State level inter-dental indoor sports meet was conducted in our college as part of diamond jubilee celebrations from 14-17th of November to bring out the best in each and every individual. This meet had swords clashing between the students of various colleges across the state who actively participated on this auspicious occasion of diamond jubilee of our college. We also witnessed staff and alumni members of our college rolling up their sleeves and participating with great enthusiasm. This event will go down in the pages of our college as it had staff and alumni members actively playing and refreshing their good old days at our college, surely nostalgic. Among various colleges which participated in this sports meet GDCRI Bangalore stood tall bagging the “overall champions” trophy. Once again we the students of GDCRI Bangalore had a great opportunity of keeping the “head”high of our esteemed college.

VAJRASIRI “NIRVAN”-2018 was conducted under the leadership of :-
